Youth to share stories from Faith Journey 2020 on Sunday, August 16

The annual youth mission trip ended up being very different than what was originally planned....and it turned out to be a great week for all who were involved! Shari Higgins, our Youth Ministry Leader, put Plan C into place for youth from All Saints and Vernon Lutheran in Mukwonago. Come hear their stories of being the hands and feet of Jesus as they served in a variety of places nearby.

As always, we have many commonly used cards for gas stations, grocery stores, restaurants, retail stores and discount stores. If a special order is needed, an order placed generally arrives within 3-4 days. So, if you order something on a Sunday, we can 98% guarantee that you will get the card the following Sunday. If you need a card during the week, you can make arrangements with Barb to pick it up. If you order during the week, please make payment arrangements with Barb.

Thanks for supporting our Scrip program. **It has made a difference to so many!** In the past, we have made donations to the Lake Area Free Clinic, Hope Center, Hephatha Lutheran Church, World Hunger, Disaster Relief, the Songoro Parish, and various other causes.

It's free money that does so much good in the world!

Day of Repentance
and Solidarity

Sunday August 23
3:00 pm

Wisconsin State Fair
Park

The Day of Repentance and Solidarity is an initiative fueled by an alliance of city and suburban churches/organizations to grow a more unified church that is a tangible witness of God's love through justice and equality. This is done by the acknowledgement of the church's past and present roles in systematic injustice, repentance, forgiveness and intentional steps of growing diverse relationships across the city and suburbs.
