Our wonderful handbell choir will play for worship on August 23. Jean Voelkel has arranged the bell tables so that they are properly 'socially distanced' and the group is excited to be able to "make a joyful noise" at worship.

The Day of Repentance and Solidarity is an initiative fueled by an alliance of city and suburban churches/organizations to grow a more unified church that is a tangible witness of God's love through justice and equality. This is done by the acknowledgement of the church's past and present roles in systematic injustice, repentance, forgiveness and intentional steps of growing diverse relationships across the city and suburbs.
